Additional Charges:

Support

The school monitors children's progress carefully. Should your child be referred for additional SEND (Special Educational Needs and Disability) support, parents may be contacted so that targets can be discussed and agreed upon. Some specialist support is available during the day at an extra cost.

Late Collection Charge

If you do not collect your child from the Nursery by the end of the day and have not informed us of alternative collection arrangements, we will attempt to contact you. If we are unable to reach you, we will contact your nominated emergency contact to arrange for the collection of your child. The Nursery will remain open until that person arrives. A late collection charge of £20 will apply to cover associated staff costs. Please ensure you inform us promptly if you are delayed in collecting your child.

Insurance Options

While the School maintains a comprehensive portfolio of general insurance, parents can opt for additional coverage through the School Fees Protection Scheme. This scheme insures for the recovery of fees during a pupil's absence due to sickness and provides an option for continued fee payment following the unexpected death of the principal financial contributor in the family. For details of both of these supplementary insurances please contact the Head of Finance and Resources.

Pupils' Personal Possessions

The school does not accept responsibility for claims arising from the loss or damage to pupils' property, including clothing. Therefore, it is recommended that appropriate cover be arranged through an extension of the parent's household insurance policy.

Miscellaneous

The school reserves the right to adjust or modify any sums quoted above to accommodate unforeseen costs that may arise.

Whilst attending the Nursery at Lingfield College, the Headmaster expects pupils and parents to demonstrate full commitment and support for the school during and outside school hours. A complete set of our Nursery terms and conditions is available on our website and enclosed with parent contracts. Fees are current at the time of printing.
